

## CLIMETA COOKIE NOTICE

### WELCOME TO THE COOKIE NOTICE FOR CLIMETA

#### 1. What are Cookies:

Cookies are text files that are placed on websites. Each cookie includes the name of the website and a unique ID. They can be stored on your browser or the hard drive of your computer if you agree.

Cookies track things like how long a visitor spends on our website and what visitors do on our website (which pages they visit and which buttons they click on, for example). Cookies collect this information and share it with the website owner.

#### 2. How We Use Cookies:

Our website will use cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

Most of the cookies we will use on our website are 'persistent' cookies. This means that they remain on your device until you erase them or they expire. The rest of these cookies are 'session' based which are more temporary in duration. This means they will be erased when you close your internet browser.

#### 3. Types of Cookies:

- Strictly necessary cookies. These are cookies that are required for the operation of our website. These essential cookies are always enabled because our website won't work properly without them. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services. You can switch off these cookies in your browser settings but you may then not be able to access all or parts of our website.
- Analytical or performance cookies. These allow websites to recognise and count the number of visitors and to see how visitors move around the website when they are using it. This helps website owners to improve the way their website works, for example, by ensuring that users are finding what they are looking for easily.
- Functionality cookies. These are used to recognise you when you return to a website. This enables website owners to personalise their content for you, greet you by name and remember your preferences (for example, your choice of language or region).
- Targeting cookies. These cookies record your visit to a website, the pages you have visited and the links you have followed. Website owners will use this information to make their website and the advertising displayed on it more relevant to your interests. [Website owners may also share this information with third parties for this purpose so that they can serve you with relevant advertising on their websites.

#### 4. The Cookies We Use

We currently don't use cookies. When Climeta goes fully live, we will use cookies for tracking session usage across the site and will publish details then.

## 5. Cookie Preferences

You can manage your cookie preferences through our pop-up cookie banner that appears when you first visit the website. You can also manage your cookies preferences via your browser.

You can also manage your preferences by changing your browser settings on your device to refuse the use of all or some cookies. However, if you block all cookies (including necessary cookies), you may not be able to use all or some parts of our website. You may also find that you are shown information on our website that is less interesting to you.

[To opt out of being tracked by Google Analytics across all websites, visit <http://tools.google.com/dlpage/gaoptout>.]

However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our website.

## 6. Third Party Cookies

Please note, other organisations, such as advertising networks, may also use cookies to track you across different websites. We have no control over these cookies.

They might include, for example, advertising networks and providers of external services like web traffic analysis services. These third party cookies are likely to be analytical cookies or performance cookies or targeting cookies:

To deactivate the use of third party advertising cookies, you may visit the relevant consumer page to manage the use of these types of cookies [include link to consent management solution]].
