

Terms and Conditions for Participation in the Climeta Nature Treasury Votes
26 Aug 2026

GENERAL NOTICE TO PARTICIPANTS

This voting process for the allocation of the Climeta Nature Treasury (the “Vote”) is conducted under the laws of the United Kingdom. Participation in the Vote is provided solely for engagement and entertainment purposes in connection with Del Mundos Non-Fungible Tokens (“NFTs” or “Del Mundos”). The Vote, any allocation of Nature Treasury funds, and any rewards are not intended to have any intrinsic value or to constitute a financial instrument, investment, or guaranteed return. No regulator has authorised or approved this Vote, the Nature Treasury, or any associated rewards. Participating in this Vote will expose you to risk, including the risk of receiving no rewards and of any allocated funds not reaching the intended charities. If you have not previously participated in similar blockchain-based voting or NFT utility activities, you should consider seeking appropriate professional advice before proceeding.

You may only participate in this Vote if you are legally permitted at all times to do so and to deal in the Del Mundos NFTs in your and any other relevant jurisdiction, and at all times there is no other legal reason to prevent you from participating. The Climeta Group has not made and does not make any representation that you will receive any reward, that any Nature Treasury funds will be distributed to any charity, or that you will be able to generate any return from participation. You should not expect any reward, refund, or guaranteed outcome from the Climeta Group in relation to your participation in this Vote.

****PLEASE READ THESE TERMS AND CONDITIONS (“T&Cs”) CAREFULLY AND KEEP A COPY AS THESE T&Cs AFFECT YOUR LEGAL RIGHTS AND OBLIGATIONS. THESE INCLUDE WAIVERS AND LIMITATIONS OF RIGHTS AND LIABILITY IN CONNECTION WITH PARTICIPATING IN THIS VOTE. THE INFORMATION CONTAINED ON THE WEBSITE OR ANY PROMOTIONAL MATERIALS IS DESCRIPTIVE ONLY, IS NOT BINDING AND DOES NOT FORM PART OF THESE T&Cs.****

If you do not agree with the terms of these T&Cs, you must not participate in this Vote. By connecting a wallet, accepting these T&Cs, viewing charity presentations, casting any vote, or otherwise participating, you acknowledge that you have read carefully and accept the terms of these T&Cs in their entirety.

You should participate only if you can afford to receive no rewards and if you accept that no funds may ultimately reach any charity.

2.1. Subject to your compliance with these T&Cs and to the technical and eligibility requirements notified on the Website, eligible holders of Del Mundos may connect a compatible wallet, view presentations relating to selected nature conservation charities, and cast votes using up to five (5) Del Mundos NFTs per Voting Session (or such other limit as may be specified on the Website from time to time).

2.2. Votes are recorded via the relevant smart contract(s) and/or blockchain infrastructure. Ownership and eligibility to vote are mediated entirely by the relevant blockchain network and smart contracts. We do not recognise off-chain claims to voting rights.

2.3. The Climeta Group will use reasonable endeavours to make the Vote available as described on the Website during the designated Voting Session period. We do not accept any obligation to ensure that any particular charity is presented, that any vote is counted in any particular way, or that any outcome is achieved beyond what is expressly stated in these T&Cs.

2.4. As a pre-condition of participating, you accept that you may have to supply us with such further information, documentation or copy documentation that we may require, including for regulatory and compliance purposes (such as money-laundering, identity verification, prevention of terrorist financing and KYC checks). 3. NO GUARANTEES REGARDING ALLOCATIONS OR REWARDS

3.1. The proportion of the Nature Treasury (if any) that may be allocated to each charity is determined solely by the aggregate valid votes cast during the Voting Session and by such other rules as the Climeta Group may apply in its sole discretion. The Climeta Group makes no representation, warranty or promise that:

- (a) any funds from the Nature Treasury will in fact be distributed to any charity;
- (b) any particular amount or proportion will reach any charity;
- (c) any charity will receive any funds at all; or
- (d) the Nature Treasury will exist or remain funded at any particular level.

3.2. Any Rewards that may be made available from a designated rewards pool are entirely discretionary. The Climeta Group makes no representation, warranty or promise that:
